

You can access all the information resources shared by the Ministry of Health on the university campus by visiting the digital library website (<https://diglib.tbzmed.ac.ir>) and download the desired articles. Graduate students and faculty members can also access these resources through Off-campus

For those articles that are not shared by the Ministry of Health, students can visit the Central Library in person and get the information from Mr. Hosein Saidi. In addition, the faculty members can contact us through phone calls (+984133379526) or sending email to hosein.saidi@yahoo.com
